“ Grandpa was a one of a kind. He would always make time for his family. Who could forgot the countless trips to Trails End catching tadpoles and him teaching Jeff and I how to shoot a BBgun in the backyard. I will never forgot you Grandpa. I hope you and Dad have found each other up there.

“ *I'll always remember sitting on the kitchen counter every Thanksgiving helping you tear up bread for your stuffing - which I've still never tried to this day! I inherited your love for animals, travel, and for Disney World, and possibly even your temper, lol! You loved taking us on vacations - even if it was just a weekend trip to the hotel in Crystal City to swim with Jeremy and Jeff. I will miss you! Love you grandpa!

“ *Gerald was definitely one of a kind! He and I didn't always see eye to eye on everything and we had our moments! But he always made me feel welcome and part of the family. He was a great father in law and grandfather and always did whatever he could to help me and the boys after Nick passed away, which I will be forever grateful. He will be missed by all who knew and loved him. Party it up with the Angels, Gerald 🙏. Your daughter in law, Vickie*
