“ *What a loss! Gib was a wonderful person and we know you will miss him, but at the same time he is at peace. This disease was so cruel and for him and you the family to suffer with it. We pray you cling to the wonderful memories before the illness. Vic enjoyed working with Gib at the sausage suppers. They spoke the same language. May God continue to bless your earthy journey. Love Always,

“ *Dear Pat, Scott & Tim, My deepest sympathies for the loss of your husband & father. I know that with Alzheimers he was lost here on earth. The freedom & gain that Gib gained when he went to heaven is glorious. I share in remembrances of long ago. May God grant His peace to you and love from our heavenly Father. God be with you all.*
