“ *Donnie and family.*

I am so sorry for your loss. Gina was a good friend to me in school (many years back). She taught me music notes while we were learning to play the clarinet in the 7th grade.

I am lifting you in prayer.

“ *My Dear Gina - I am just so lost for words right now as I feel so broken. You have been more than just a co-worker to me, more than a friend. You have been family. I will never say good bye to you but for now I want you to stop hurting and peacefully rest as you know we will meet again and more laughter and good times.*
