“*Shea & Blake, Randy, and family. I know that this is a great loss that will be felt forever. I know in my younger days Ginger, Larry, and Jimmie, my brother (Randy) and I spent a lot of time together. Aunt Vera always kept us informed about Ginger, Randy, and Shea. Ginger was a sweet, loving, helpful person. I am deeply saddened by the news of her passing. Prayers, big big hugs, and much much love to all.*

“*Shea, you had a wonderful mother. Aunt Vera kept us informed about you. She was so proud of her granddaughter. I am very sorry for your loss and your family & all have my deepest condolences. But did not get to see you but a few times and oh your mom was so sweet. We went to your wedding and I still have the geranium flower that you had in the beautiful vases on the tables. Aunt Vera, my second mom has set up with me at several of my surgeries. Your grandma was an awesome lady and so eager to talk about her granddaughter's accomplishments and about her daughter's accomplishments so very much as well. No words I can say no comfort words to you like our Heavenly Father, Jesus Christ. Oh yes she would tell me how much she loved Your dad, Randy and how he loved her home-made meatballs. Oh so did I. Ginger was very special. Ginger was a little tot and was at Bob & my wedding reception. Ginger was a beautiful girl and lady. Prayers for the family.*”

We know you are Heartbroken & our Hearts Break for you too 💔 There are no Words to say that can change things or erase the pain, but we want you to know we loved Ginger very much. Although we spent very little time with her during her adult life, Aunt Vera, her Mom, kept us informed of certain things that occurred in her life. Cling to those precious memories and remember God is with you through each and everything. He will give you Peace & Comfort during this difficult time and the days ahead. We are sending our Love❤️ and 🙏🙏 Prayers for all of you. Dexter & Regenia (French) Goodman, Ginger's cousin.

“ Randy and family,

I have fond memories of Ginger when we hung around in Jr. High. She was so sweet, pretty and was a lot of fun, always seemed to be laughing and smiling. I especially remember when we shared a desk in Science class. We would try and push our luck by sneaking candy and gum from the desk cubby holes but we usually got caught. The teacher, Mr. Haas, was pretty patient with us and we usually just got a warning, but one time he finally gave us a well-earned "U" in conduct and moved us to the front of the class to keep an eye on us. That ended the candy sneaking!

Rest in peace, Ginger. And peace and prayers for the family.
