“ Gladys had a huge influence on my interest in genealogy in the Van Amburgh, Bonney and Scruggs families. She answered all my questions, backed it up with documents, and added some good stories. I still miss talking over sources with her, and getting clippings in the mail about recent Cape events. Best wishes to all her family - I know she treasured every person on her family tree. Sincerely, Arlys and Tom LaFehr

“ A bright spot at the Luthern Home and such a caring person! She helped us through a difficult time when Tim's mother passed at the Luthern Home. She checked on her and visited with her when we could not be there. Sorry for your loss.

“ Please accept my deepest sympathy for I too know the pain of losing someone as special as a mother. May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will 'wipe out every tear from our eyes, and death will be no more.' (Revelation 21:4) What a wonderful day that will be!
