“ Hello Gilbert, I'm your second cousin, Dale S. Pierce's son Johnny Pierce. Last time I saw Nellie and great uncle Snooks, they treated us very nice. We all loved them both very much. My mom, Sug and sisters, Kathy, Debbie and brother Allen loved them as well. My dad Dale has passed on since. But us kids loved to come and visit all we could. She will always be in our hearts. She was my grandfather's baby sister, I can't believe how time passes. I personally will miss talking with her and maybe someday get back and see you and get to know everyone all over again. She's happy now, being with Snooks especially. Hello this is Robin, John's wife I loved talking with her, laughing and talking about everyone and anything, for hours at a time. Having a great time talking about Snooks a lot, how she missed him, and such on the phone from Portland, Oregon, I spoke with her about once a month, looking forward to the next time we spoke. I will certainly miss talking with her and feeling like I've been her friend forever. I loved her very much and will certainly miss our chats.
