“ My condolences on the loss of your dear loved one. I always cherished the fun times working with Gladys at the Hat Factory. She would visit my mother, Edith Foster when I was growing up. Later when I had my first job at the factory she always made me feel very special. She was a dear lady do all. May you find comfort in knowing someday you will be united with your loved one once again.

“ Don and family,
So sorry to hear this sad news. We loved Gladys and being your neighbors for years.
Whitewater picnics were fun because of her!
I never hear the hymn Blessed Assurance and not hear her singing.
Enjoyed our days riding to work. Will always remember her sweetness and laugh. We cannot be there to hug you all but please know our hearts and prayers will be with you in the days and weeks to come.

“ So sorry for your loss. Loved your Mother. I can't still do your Friday night orders at Crites' Corner and then it was so much fun working with her at Henschel.
Will be thinking of you all.
