“Hi, my name is Jonathan Sprouse. I was a student at Teen Challenge back in 2007 and I had the privlidge of working on the Berry project under Glens leadership. He was the hardest and most real leader at Teen Challenge and he tought me more than anyone my whole stay there. I thank God that Glen was one of my main leaders daily! I think if I could sum up his teaching methods in a short few words I would say that he tought lost little boys how to become and live as men of God and he led by example! the things he tought me sticks in my heart so much and it saddens me greatly to know that I will not be able to tell him just how much he has impacted the whole rest of my life after Teen Challenge. I can only hope that God will let Glen look down on me (and the hundreds of other people that he has postivly influenced) so that he can see how his openess, honesty, and willingness to be a leader at Teen Challenge and allow God to work through him to allow so many men to learn how to become true working men of God! Knowing Glen was a true blessing and I cannot wait until the day that I can run up to him and give him a big hug in Heaven. I bet you Teen Challenge Mid-America will never be the same now that Glen is gone.

“ Dear Joyce and Kids, I'm so very sorry to hear about Glen's passing. You might not know this, but I met him as a student in M.A.T.C. in 1979 and I got to work for him on the lawn crews. As the summer went on, He asked me one day to be a crew chief, and to this day, what he did for my self esteem that day still helps me "keep my chin up" when I don't feel so good about myself or how somethings turned out for me. Then we moved in next to you-all inn 1988 as I took a position as a staff member at Teen Challenge. He became a co-worker and friend. I'm so glad I got to see him one more time when I visited Bethel not too long ago, and I'll see him again. I consider myself blessed to have had you folks as mine and Shannon's neighbors. Sincerely, Bob
