“ I had the honor of getting to call Glen "friend." He was a man of great insight and a man that I not only welcomed his opinions and insights, I sought them out. I always looked forward to family functions that he might be at. I was delighted when he was present and let down when he wasn't able to attend. I selfishly always tried to steal a few moments with him to just chat and get his perspective on life. I had so much more to learn for him and I am so terribly sad that he is gone. Bessie, Becky, and Deb, I love you all and you are in my prayers. Matt M.
