“ *My deepest condolences to the family. Aunt Glenda was one of my favorite Aunts, and I have many fond memories of her from when I was young. I regret that I haven't seen or spoken with her in many years, but I remember her as a kind, gracious, caring soul who gave so much of herself to care for others. May she Rest In Peace. I am sending love, prayers, and warm wishes to those who mourn her loss. - Stacey Ford Pryor*

“ Steve and Cindy, my condolences to you and your entire family. I count it a blessing to have known Glenda and worshiped with her at Riverview, even for the short time it was. She was such a wise and strong Christian lady and an inspiration in her knowledge of God’s Word. May God give you His peace and comfort in the days and years ahead! ❤️

“ Grandma and I used to go visit great grandma Ford every 6 weeks and Aunt Glenda would trim my hair. She would use scotch tape so she would get it perfectly straight. She always had the best snacks. I will forever remember her infectious laugh and love for all. Sending prayers and love to my Ford family. Kelli Chastain (Webber)

“ My grand daughters met Mrs. Ford at McDonalds one evening she was having a very rough day she said. She had dropped something and one of my girls ran over to pick it up for her and she began talking to them letting them know she was having a hard time. They talked for quiet a while before leaving. We were new in town and began attending church and just as God would have it she sat right behind us. We have missed her smiling face and friendly conversation.
