“ I worked with Sue for many years at Nell Holcomb School and taught her daughter, Angie, as the art teacher. It was a pleasure to do both and I have great memories of the family. I am very sorry for your loss.

“ I am going to miss Sue a lot. She was always welcoming to me and ready to lend an ear to whatever I wanted to talk about. Or, just sit together and look out her back window at the pond and fields, and say nothing at all. She will be missed by many but i feel a chunk of my heart is missing right now. Loved her... RIP

“ Rest in peace Aunt Sue. I'm comforted knowing that Delbert and your son were there with arms wide open greeting you at the gates of heaven. You were loved ny many and will be greatly missed. I will never forget the fun memories of us shopping until we dropped, touching every fabric we walked by and will forever be grateful for everything you did to help me out on my voyage through life. Until we meet again. I love you. Your niece, Kathy
