“ *The pain of losing someone as special as a mom is something that we will never get use to because God's word refers to death as 'the last enemy.' May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will have our enemy 'brought to nothing.' (1Corinthians 15:26) What a wonderful day that will be!*

“ *My sympathies are with your family. I will always see the kids' grandmother seated near the front at every recital they do. I celebrate with you the hope we have because of Christ's sacrifice, and that you will one day be reunited with her. I'll be praying for the family as you go through this time of grieving, and I pray that you will be blessed for having been a source of comfort and care for her. God bless!*

“ *I'm so blessed to have known Gloria even if only for a short a time, The one thing about Gloria that was always clear is the love for her family and how proud she was of each of them. My thoughts and prayers are with you all , may God hold you close in this time of sorrow.*
