“ *Brad, Brian and Jeannie: I am so very sorry to hear about Aunt Grace. My thoughts are with you during this time. I have so many fond childhood memories of visiting and staying with her and Uncle Harry. I can't help but remember and chuckle about the time I helped pick berries and got chiggers-she use the old time remedy of finger nail polish to smother them --- thing is she could only find RED ! I had red dots all over!!!!!! I loved them both so very much. Take Care. Shavonna*
