“ To all of Greg's family: I have very fond memories of attending high school with Greg back in the early 1980s. We played football together, and I'm pretty confident that Greg was former Defensive Coach Emmendorfer's favorite player. He stood out because of his incredible attitude and determination. He would often take on players twice his size and usually win the battle. I always admired this about him and these memories for me will be never forgotten. May God strengthen you during this time.

“We can't know why the lily has so brief a time to bloom, in the warmth of sunlight's kiss upon it's face; before it folds it's fragrance in and bids the world good-night to rest it's beauty in a gentler place. But we can know that nothing that is loved is ever lost, and no one who has ever touched a heart can really pass away; because some beauty lingers on in each memory of which they've been a part." I love you Dorothy and I am so sorry for the pain I know you are in right now. I wish I could take it away and I know I can't, but I want you to know I am thinking of you with all my heart. Linda
