“ I cannot tell you how heart broken I am after finding out about Bud's passing. I am truly going to miss his coming to my office and just chatting about his trips to the ball games, trips with the veterans, his ribbing me about my hunting skills, his smile and his laugh. Although ours was just a business relationship, Bud became a good friend. My condolences to the family. God bless you Bud.

“ I really thought Grandpa Obermann would live forever. It is with deep regret we have to say goodbye. One of my favorite things about Bud was his laugh, the way he giggled. And also how great he was to my children Jason and Jessica. He will be greatly missed.

“ Buddy was a good man. My Daughter and Husband lived by him years ago. He was always so kind to them and my young grandson.

“ To the my cousins and friends of Buddy: Buddy was my uncle. I am sorry to hear of your loss. He was the last of children of Harry and Adela Obermann. The last of this generation. Unfortunately I will not be able to attend the visitation and service, since I will be traveling out of the country. You have my thoughts and prayers in this time of your grieving. The pain will fade and the memories will grow stronger.
