“ Hal was a good man with s strong belief in the word of God. I knew him through Life Care Centers because I work there. Also knew him before that when we got to know him at the old life care when my aunt was there. He was always caring about his fellow man and that is rare in these days. He will be sadly missed. But he is walking with Jesus now. Steve and Lisa Windeknecht

“ I am so sorry to hear of the passing of Hal. It hurts my heart to know I will not receive any more texts from him. He became my friend when I worked at Life Care Center. Hal would sit in my office almost every morning. We would speak of God, scriptures, and sometimes I would be singing a church hymn. I am not a very good singer but Hal would enjoy it and ask me to keep singing. When I left my job there Hal and I stayed in touch. I had visited him about two months ago. He was able to visit with my youngest daughter. Hal always asked of my husband and children, we would joke about finding him a good wife one day. :) He was a God fearing man and I know I will see him again in the promise land. Love you Hal Phillips. Although my heart hurts, and my eyes sting from the tears, I will rejoice for I know you are alive eternally!

“ Dear Family,

I am so sad to hear of Hal's passing. He was a very happy person and certainly shared that with all he knew. I will keep you in my thoughts and prayers during this very difficult time.

“ Dear Carla and Family, my heart is filled with sadness to know Howell has left this earth, but much to know is with the Lord and reuniting with family and friends. What a blessing Howell was to all who knew him . Many years spent in Red Star growing up as kids and so many memories. I know God's loving arms surround you all. May the love of memories and God's Blessings be with all of you. I am unable to attend the service, but please know I will be with you in spirit.
