“ *To Harold As it often happens you never know the last time you speak to a friend. We had many good talks and had a lot of fun playing pickleball and water volleyball. I hope I age as well as you did. Enjoyed our time together my friend. Mike*

“ *So sorry to hear of Harold's death. We have been friends since we were 6 and 8 years old. He taught me how to ride a bike when we both lived on Boland Drive. We also were friends in high school and his wife, Dolly, was one of my close friends. He will be missed.*
