“ My prayers are with you all during this sad time. Mac was a very special man, I learned so much from during my 3 years with him in the P&G plant, thank you for "sharing him" with us as I know the P&G work so often required many hours away from family.

“ Dolores and Family - I am so saddened to hear of Mac's passing. I worked with him for many years in Modesto, and we stayed in touch as we both moved on. My last visit to CG included dinner with you both. I often golfed with Mac, and it was always enjoyable. Please accept my condolences - we will miss him.
