“ I am so sorry to hear of the passing of your mother in the newspaper this morning. I have may fond memories of her and of being at your house. She was sweet, kind, loving, and had a contagious laugh. I remember how she would get up when it was still dark outside (in the summer) to bake. She was a wonderful cook and mother.

I pray that God's comfort will be with you at this time.

*With love,

Prayers for Darlene and Bill. I have such good memories of you all. I can taste her brownies and I can hear Bill playing the theme from Mash on the piano. Or the basement where Darlene's old toys were. Your house felt more like a home to me when I was there. Praying for comfort for you all. Delana Davis Horn
