“ I am very saddened to hear of Helen's passing. She was such a delight to talk to and joke around with as I painted halls and dorm rooms in Towers. She was always interested in my hunting trips and talking about visiting her family. I really missed her when she retired. Rest in Peace and God Bless. Roger

“ I am saddened to hear of Helen's passing, I know she will be sorely missed by her family and many friends. I got acquainted with Helen back in the late sixties, and I can say clearly that she was a beautiful woman, inside and out, a lady of fantastic character. She was always positive about life in general, and she was so much fun to be with, had a great sense of humor. Helen was a great and dear Mother, as well as a wonderful friend!! I miss you already, Helen, and I will see you "on the other side", I love you, Girl!

“ I am so grateful to have met Helen when she became a part of our Hoover Center family in 2011. Her jokes and laughs brought such joy to our lives. During my time working at the center for 4 years, Helen was the one who I grew the most attached to. She gave me great life advice and kept me motivated as I attended graduate school here at SEMO. She was a wonderful lady, who loved life and was absolutely crazy about her family. Helen was a beautiful woman here on Earth and now a beautiful angel in Heaven. May God bring comfort to her loved ones. We, at the Hoover Center, are truly sorry for your loss. Charly, Cherie, Julie, Dr. Branscum, and the rest of the Hoover Center group
