“ *Helen, it's hard to believe you have passed away . I found myself picking up my phone to call and check on you. But I am finding comfort in remembering that you thought a lot of me as I did you and knowing that you are no longer in pain ;you are resting in peace with Lexi by your side . I'm sorry our spring plan of you getting to meet my mother and us having lunch together isn't going to happen now, but it will some day . I am so glad I met you and can call your friends my friends now too ! I will not forget you, Lexi , your many angels in your home , and your white carpet ! Lol ! Love you Helen.*
