“ To the Scheeter family and friends, I grew up with the Scheeter's (only living about 1.5 mile away). From my earliest memories... Herb and Edna Ann(and their children) were always a part of most every weekend. Lots of fun, always. Even some home Super 8mm movies! You have my thoughts and prayers in this time of your grieving. The pain will fade and the memories will grow stronger.

“ I'm sorry to hear of the passing of your dad. I remember the first time I met your parents with Darrell. I knew from the start your dad was a man who never met a stranger. My thoughts and prayers are with you all. He and Darrell are together talking about the old times .
