“ Priscilla and family, I am so sorry to hear of the loss of the love of your life, your rock, and loving father to your children. I remember when you two started dating and I was in your wedding the day you were married. I remember thinking I have never seen a couple so happy and so made for each other. I was glad to have seen you and Herman in December of 2014. Little did I know it would be the last time I'd see him. I will miss him so much. Prayers for you, Priscilla, and your family.

“ We were very sad to hear that our friend Herman passed away. Many times people grow up in home towns, become friends in younger years and then often life's paths take us different directions. We don't see one another for many years but the friendship and great memories remain. We will always cherish our good times and friendship with Herman and Priscilla and our prayers go up for the Klipfels.

“ So very sorry to hear that Herman has passed away. It has been many years since I have seen him. I still remember the wedding and seeing his tears of joy as Pricilla walked down the aisle. I remember their first dance. I believe it was to the Carpenters song "We've only just begun". He was a very good friend to so many. My heartfelt sympathy to Pricilla, his children and all of his family and friends.
