“ Horace and I were buddies during that first year and a half of Covid. We ran errands, had nice meals and spent time talking about life. I soooo enjoyed his laughter and storytelling. Horace was blessed with being able to lean on his son Brent, who really did take care of his dad. It was heartwarming to watch those two great men embrace and work hard to restore Horaces health. I am hopeful they were able to make memories during his last years. Horace, I hear Heaven's Hollywood is waiting on you----- it will be a great party!!!! RIP my friend. Lee Ann Wright. ☐
