“ Dearest Aslingers - I am so sorry to be unable to pay my respect to all of you, but I will soon be in North Carolina. My deepest sympathy on your loss of Howard. His devotion to his family and the youth of this community is nearly unmatched. My fondest memories of Howard is on the soccer field as he directed numerous soccer tournaments in which both Heath and Meghan played. CAYSA was at its penultimate with Howard as its head, and the organization has lost a driving force. My love to all of you, but especially to Kari and J.D. You are in my thoughts and prayers.

“ Howard was a loving friend whom it was our privilege to know. He could always be counted on to help the new agents in American Family so when Jim joined Am Fam in 1981 it was our privilege to get to know both him and Jean. He could always be counted on to coach young people instilling in them the love of the game but more importantly sportsmanship. He never let his disability hold him back and will be missed by his family and friends. Our thoughts and prayers are with Jean and the family during this difficult time. Jim and Sandie Hulen
