“ Dear Dana and Tracy,
I meet your mom in 5th grade at St. Mary's School and knew her so well through high school until I went to St. Louis for nursing school. Jeannine would drive Glenda and me around town, to school, to basketball games, and to neighborhoods where our young heart throbs lived. Jeannine was a force that made my young days full of excitement. I remember sleep overs where we would be running outside in the wee hours of the morning. I always came home exhausted and happy. Jeannine bought our family home at 1401 Bloomfield. I had the pleasure of returning there to see my bedroom turned into the Elvis Room. What a trip. I remember her laughter, her kindness, her love of her daughters and family. I hope you have many good memories, too. It's hard to believe she is gone. You have my deepest sympathies.

“ Tracy and Dana, I am so sorry for your loss. I remember your mom as a fun and kindhearted lady. She entertained us with her dances, loved her puzzles, made the BEST gooey butter cake, and would do anything for her girls. I was blessed to know her.
