“ There is too much to say...There are certain people who touch the lives of those they know in a unique way. Knowing them brings us joy and inspiration and when they are gone, memories of all they have done stay with us. Auntie was one of those people, we are grateful to have known such a special person. We will hold dear all of our adventures to Kentucky and Kansas City and great times around the table at the Bollinger home with her and Uncle Loyd. Christmas Day, Santa Clause and the St Louis Cardinals will always bring fond memories of times gone by. Thank you for sharing her with us!

“ Hi, Ms Imogene(Lloyd) were our landlord. They were extremely good to my husband and I. We gave them the upmost respect! I remember Ms Imogene's "hair appts" were very important!!!! And Mr Lloyd was a "work-aholic"(I mean that in a good way) because he was always working on the outside the house! Trust me when I say I know how it feels because I suffered a lost as well, my husband of 32 years also passed away unexpectedly on Aug 10th! My deepest sympathy!!!!
