“ *My deepest condolences Adon and Kevin and the rest of your family. I have many fond memories of Ina when we worked in the same building in the mid-80's. Ina was not only as nice a person as one could meet, she was very, very funny. I remember joking around with her endlessly! She will certainly be missed. P.S.: Kevin, I hope you are well, I have many fond memories of you from our time at Alma Schrader and Cape Central. Take care, my old friend!*
