“ Hi, Kay I am saddened to hear of your loss of ienetitids while in town. I guess there are those people everywhere. I want you to know that I mailed a nutrition package to you on September 17 so it would arrive at the beginning of October. I know soon you will be visiting here and I am looking forward to hearing you speak and give an update of your progress. I think of you and your children often

“ Please accept my deepest sympathy for I too know the pain of losing someone you love. Even though I don't know Sis. Johnson, I am her brother in the faith and pray your family experience the love of Jehovah who 'comforts all the mourning ones.' (Isaiah 61:2)
