“ Tony, Tana, friends, & family of Irene Spinner. Very shocked & saddened to hear of Irene's passing. My sincere, & heartfelt, condolences to you. Irene was a very nice, intelligent, & classy, lady. She was always respectful & nice to me. She helped me out at her pawn shop several times, & gave me a good deal on some stereo speakers. She was rightly proud of her children, Tony & Tana. She will live on, in our memories & hearts.

Take care.....love & respect.....Clay Thomas

“ Dear family, I just wanted you to know I have been thinking and praying for your mother and for your/our loss. It was so nice that the Spinner clan was able to visit with your mother this past Christmas. She always tried to remember all of our children's names! Which was hard because there is a bunch of us! I really wanted to be there today and to see you, Tana and Tony, but I could not work it out. But know you will be in my prayers as you mourn the loss of your mother.

Love,
Nancy(Spinner)Kenney

“ Dear Tony & Tana, I was devastated to hear about your mother's passing. She and I had fun together when we went to lunch or to Port Cape for one of Tana's plays. She was so proud of both of you. I'm sorry I can't be there tomorrow, I have a family commitment in St. Louis. Know you two and your family are in my prayers. Your mother was a fine lady. I'll be thinking of you...Deborah Clifton

“ *Things my kids remember about Irene:*

- *always wanting us (ok, begging us) to stay at her house when we were in town even knowing we couldn't be as tidy as her*
- *always very proud of and saying kind things about everyone in her family*
- *wanting us to call her when we got back to Iowa so she knew we were home safe; just a little bit of a worrier*
- *always said "I love you" in parting knowing we wouldn't see each other or talk for a while*
- *always expressed appreciation for getting pictures of kids so she could see them*
- *always excited to see kids*
- *always making sure everyone had what they wanted before herself*
- *just genuinely cared*
