“ I'm so sorry to hear of your mother's death. We buried our 95 year old mother on March 21. I realized as I read your Mom's obituary that they both married on the same date! I was with Mom when we ran into your Mom in Cape a few years ago and she remembered as the Bollinger child that always came into Dr. Ashley's office crying. She was right. If it was just Mom and I and we turned onto Sprigg St. I knew a shot was coming. We've been blessed to have our mothers this long.

“ She was a very special lady. I have known her most of my life because Dr. Ashley was our doctor. She also went to my mom's beauty salon in the Town Plaza. She always felt more like family. My thoughts & prayers go out to her family. She will be missed.
