“ So sorry for your loss, Joyce, Bonnie and the rest of the family. I wasn't around him a lot, but the times I did, he was fun to be around. I remember sitting with he and Joyce at a wedding reception, we had a good time. Also when J.D. was still driving trucks, he brought one in to Cummins for repairs. Rather than sitting around all day there, I offered for him to use my car for the day. He was reluctant, but took me up on it. He was a good man. He seemed like family since he was Bonnie's brother.
You are all in my thoughts and prayers.
