“ My condolences to Mr. Mueller and the rest of Jacalyn's Family and Friends. It was my pleasure to see and meet you both while working at her treatment center. Jacalyn was always in good spirits and had a pleasant greeting and a smile for me. I think of you often as I drive through Kelso on Highway 61, which is my main route to Cape. May you have God's Peace, Love, Comfort and Strength at your times of need. You will be in my thoughts and prayers.

“ Many, many great memories with Sister Jackie! Sometimes she was the life of the party. Some times she was the correction rod to the room of teenagers all deserving of her loving correction. I loved her and my heart goes out to Bro. Delbert and family.

“ I remember the camp-meetings at Bro. O'Dells when I was (a lot) younger. Some people camped along the creek bank, some stayed in the Sunday school rooms and some towed campers in. I remember Bro. Fairless backing his in behind the church dining room. We always loved seeing everyone and was sad when everyone left to go home. Those were the good ole days as the saying goes. I sure miss those days and everyone. Bro. Mueller, Sis. Cindy and family, we love you very much!

“ *The love of my life.*

We started dating when she was 14 and i was 16 years old. we always told each other we were in love forever and after 57 years it looked like it was going to hold.

I was working at a service station on Morgan oak street at the time and she would ride across the lot on her bicycle, trying to get my attention.

Later we would move to St.Louis and then the draft notice came, then we were separated for while, but always in love.We lived in Texas and Florida, then finally back to Cape. It surely was God's will because we both were baptized in the name of Jesus Christ and filled with the Holy Ghost.Even being full of love for each other, there was room for a greater love that had come into our lives.

Our lives together was forever changed. We went through the ups and downs of life with our savior leading the way and watching our backs. He taught us to live by faith in him and his promises.

She always had a great love for people. when others thought we were a little ate up with our faith, she wore that comment like a badge of honor. After a courageous, 7 1/2 year battle against cancer. God had decided she had enough and decided he wanted her in heaven, her work here was over. We can rejoice in the fact she is no longer in pain, no more needles,She loved the song "One fine Day" and even more so now. I have every intention of being rejoined with her and finish our eternal love with Jesus Christ. The little poem, (I do not know who wrote it), has more meaning now than it ever has before for me,

"I loved you then,

I love you still,

I always have and i always will.

Enjoy your time with Jesus because i am coming.
