“ One of our ihop mornings, Bimbo noticed my hair was different. He asked me about it. I told him I was cutting a little off every month to keep it healthy until it started growing again. He was appalled. He wanted to know who told me to do that because they were crazy. He wanted to talk to this person and instruct them on how to have healthy hair. He told me if I wanted to have hair like him I was only allowed to listen to him about hair care. I promised him i would only take care of my hair the way he told me to, and I have for 3 years now
