“ To Jacki's Family,
Unable to get to visitation or service but wanted to extend my sincere sympathy. Worked at the hospital with her and her smile was contagious. Also played dominoes with her and her smile continued, even if she lost (not too often). Will keep all in my prayers. 💜💜🙏🙏. Barb McKeon

“ *Jacki was always so loving and caring - a beautiful light in our family and always lifting spirits. She just sent a package to Colin and me for our birthdays. She gave a gift and card to each of us, including writing out a beautiful card to my husband who is bedridden and cannot respond or give back at this point. That's Jacki. It seems not possible that she is now suddenly gone. But her light remains in every way she has ever touched us.*
