“ Dear Family,

*We are so very sorry to hear about Jacob's accident and passing. My husband, Doug, is a first cousin to Jacob's Grandmother Vickie. We see Jacob's picture with his military uniform and can understand that Jacob had great character by being willing to serve his country. Doug served during the Vietnam conflict and has deep respect for all who are willing to serve for the cause of freedom.*

*Our deepest sympathy to all of the family. May our heavenly Father be able to comfort you by His presence. Look to Him for strength to face the days ahead.*

“ *My families thoughts and prayers are with your family during this difficult time. I did not know Jacob very long, but I worked full-time with him at the 1140th, and became very impressed with him in a very short amount of time. It is a true and tragic loss for all of here in this life, and heaven is gaining a great, thoughtful, and caring new soul. Despite his passing, both Jacob and his family, will always be part of the National Guard Family. Never hesitate to reach out to any of us in your "Guard Family" if you are in need.*

*Deepest sympathies,*
