“ Jalon was my close friend in high school. When I did not have the courage to do it, she signed up both of us for cheer leading tryouts. And we both made it! What fun we had doing routines. Jalon knew I did not like peanuts, so when we shared a bag of peanut M&M's, she would crack them open and give me the outside chocolate shell while she ate the peanut! What a thoughtful person, always. Peace be with you, dear friend.
