“ *Jim and I were on the Fruitland Fire Department together for several years. We became good friends. Jim was a kind man and he was a very hard worker at everything he did. He always had a smile on his face and seemed happy. Prayers to the family. Jim, its not good bye, it's until we meet again.*

“ I spent a summer with Jim rebuilding his roof. I learned what a wonderful man he was. He was kind and loving and generous. Not to mention, we worked our tails off redoing his roof from the rafters on up. He gave me a microwave that he had fixed and I used that microwave for the next 15-20 years. Jim & I spent many hours sitting out in Tom & Deb's back yard talking and doing our thing. Jim was a good friend. I will miss our conversations. My prayers go out to the family and friends during this difficult time.
