“ Please know that Jim and the entire Evans family is in my families prayers. Jim was an individual like no other and this world is a lesser place without him in it. Pierre, if there is anything that I can do, please let me know.

“ I would like to offer my heartfelt condolences. May God bless you and keep you during this time of sorrow.

I have nothing but fond memories of Jimmy, he was my brother Charley's best friend in high school and a great friend to me also. I will forever be grateful for him teaching me how to dance. A whole group of us spent many a Friday and Saturday dancing the night away. What a great time and wonderful memory!

Sincerely,
