Sandy, I don't know if you remember me but all of us went to school together. Jamie would make jokes and make me laugh. He is going to be missed a lot. I pray that you and the filly find peace, comfort and strength in the days to come . God Bless you all.

“ He was my friend for over 40 years. When we were young we played basketball, softball and football together and when we got older we reminisced about playing basketball, softball and football together. He was my Bro, and I was The Skipper. Never be another one like him and I wouldn't want there to be. He was my friend and I miss him.

“ *My heart is breaking like no other. You were the most giving, kind-hearted and caring man I knew. I will miss you terribly. The only uncle I was close to has crossed over into enteral life. I will feel this empty void until we meet again. It is never good-bye, it's until I see you again, uncle! Rest easy and pain free. I love you so so much. Xoxo*

“ *Jamie's smile and welcoming attitude is something I will always remember about him. He and Jimmy were such good friends from when they worked at Lemming Lumber together. They both are no longer with us in this world but they live on in the lives of their family. They were both great men loved and adored and would help anyone they could.*

I know Jamie loved his family more than words could say, just know you are in my prayers in this and the coming days.
