“ I got to know Jim at Notre Dame Highschool in the 70's - he was a year older than me but my sister dated his brother Roger so I knew the whole Kluesner family. I have nothing but kind and sweet thoughts about Jim because he was a super guy. So handsome and so popular! My prayer is that Jim is at peace and that his family will be given the strength to endure such a loss. My deepest sympathies ... Sally Glueck Balsmann

“ I have so many wonderful memories of Jim & his family from my time dating Roger back in high school. All the holidays, birthdays, family events- too numerous to count. And I have to mention all the partying back then 🍷🍷🍷

Who remembers that old Ponderosa house?? We were all so young & care-free back then. Our "glory days!!!" Those are the times & memories I choose to remember about Jim. And over the years since then, he was always a kind, sweet person who always had time to sit & visit with you. He had all friends, no enemies.

Rest in peace my dear friend. Enjoy being back with your mom, brother, countless aunts, uncles, & friends. Fly high & watch over us. You'll forever have a piece of my heart with you. 💔💔 Kay Glueck

“ Condolences to Marilyn, Roger , Geri and the rest of the Kluesner family. I ran into Jim at a Cardinals game a year or two ago and he came down and sat in our seats and after the game we went to ballpark Village. Had a great time. That's the Jim I'll remember!
