“ *Kremer Family*
I will always remember the fun times our families had when you lived in Jefferson City. The trip to Kentucky Lake was a memorable time. Now Jim, mom and dad are our special angels. Treasure all those good times.

“ To all the Kremer family I send my condolences for your loss of a man I admired. Jim was always such a happy man. I didn't get to spend much time with my friend's father, but when I was around Jim he was usually on the dance floor with Genie. Man those two could dance. They were really good and inspiring. Jim was always kind to me and he will be greatly missed.
