

Jamir Shonta Anthony

May 22, 2019 - June 18, 2022

Jamir Shonta Anthony (Fatty), age three (3) passed away on June 18th, 2022 after having some unexpected underlying medical problems. Jamir was born to parents Tiffany Anthony (Ethan Harris) and Javon Perry on May 22, 2019. Jamir was known to his family as an energetic, happy, curious, joyful, smart boy. His Favorite movies are Cars, and Buzz and Woody. His favorite things to eat was chicken.

Jamir always was saying Hi to someone, spreading that contagious smile and good energy to any and everyone he came in contact with. When he wasn't watching his favorite movies he was outside playing in the dirt or with his cars and playing with his siblings. Jamir was a bright star and was destined to be a huge personality, even though his time on earth was short.

Ethan Harris came into Jamir's life a few months before he was born, not his biological father but close to it, he raised and treated Jamir as if he was his own son. His family took Jamir in as one of their own and treated him no different. Showered him with love, comfort and excitement. Words will never express how much that meant to Tiffany. Jamir loved his Ethan and nothing can or will change the love those two shared.

Jamir is survived by his loving parents Tiffany Anthony (Ethan Harris) & Javon Perry, his grandparents, James E. Anthony Sr, Tabitha Harris and Monte

Gardner. Three siblings K'mari King, Kamirah Harris, and Jakari Harris. Jamir has a host of uncles, aunts and cousins that will fill 2 pages. He is preceded in death by his (maternal) grandmother Gail Lampkin, (maternal) Grandfather Eddy Watkins (Sonny).
