“ Richard, I am so saddened that Jan has passed - it all went so fast - a blessing for her, but so difficult for those left behind.....I only wish we were closer and could have been there for you.....please keep in touch and come visit us in Chicago when you are ready - I remember Jan having all the chalk as we roamed the cemetery searching for Wallis' - she could bend down and chalk the headstone and I remembered thinking she is so limber - I have bad knees and hips - but Jan could do it all.....we have some great pictures.....so happy she could go to London with her family - our prayers and love to you Richard and your family. “ Jan was our employee and friend for several years right after high  
school. Wayne and I will always remember her warm personality. At  
the time my Mother was dealing with cancer and Jan was always  
offering encouragement. We saw her just a few months ago in  
Dexter. We will all miss her. Sincere sympathy to all her family and

“ *Richard and Family,  
My deepest sympathy in the loss of your beloved wife and mom. Richard, you and I have been in health care for many years but I know nothing can fully prepare one for the loss of their mate or their mom except the deep faith that we will see our loved ones again on the other side of the veil, in heaven. Jan and I went to BSF together starting in the 1990's. She had a lot of faith and trust in Jesus and was a wonderful example to all of us who were seeking to understand more about God through His Son Jesus. Thanks to Jan, who now rests in His loving care, for pointing me, to the Truth and the Light.*

“ I remember Jan from Bernie, Missouri, when I attended school with her brother Keith. She was "Keith's little sister" and I recognize her from back then. Briefly, met her parents and sometimes would see Keith at class reunions.

So sorry our paths did not meet again but so glad to see the vibrant young girl I knew kept her Christian faith until the end. My condolences here to her family.

Sincerely,

“ I met Jan Hope in the 70's when we were follow The Oak Ridge Boys. She was a very loving and giving person. Very out going. Lot's of fun being around. You always knew you were going to laugh at someting she said or did.

I remember one time we went to Dexter, Mo. to spend the day with Jan and her friend Rose. We wound up in a swimming pool. Jan and Rose was the only ones that could swim at the time. My sister decided she was going to dive off the diving board. Well, she did. She went under and never came back up and Jan had to save her. We always loved to hear her talk with that southern drawwwwl. I will always remember Jan Hope for her kindness,her love and laughter.

Richard,Barret and Lauren You will be in my prayers. I'm sure her memory will live on.
