“ I am so sorry for your loss. May "the God of all comfort" (2 Corinthians 1:3,4) comfort and soothe your heart. His promises, found in the Holy Scriptures, can offer much hope. It assures us at John 5:28,29 that our loved ones will be remembered and brought back to life in the resurrection. Please allow God's Word to strengthen you and help you to endure this most difficult time.

“ My sympathy is extended to David, John and the rest of the family. Jan and I served together at CJHS during my days as guidance counselor and assistant principal. We enjoyed many good days together, particularly those music/talent shows she helped assemble. She and I were part of a number of "dumb acts" faculty presented that "brought down the house!" She will be greatly missed, but we have wonderful memories of our times together.

“ David and John, I had the the great privilege of knowing your beautiful (inside and out) mother for over 50 years. You two must know better than her many friends what a truly incredible woman you had for a mother. She will always have a special place in my heart--I loved her very much. I have such great memories of all the fun times we had together and am really grateful for the many experiences we shared together. Donna Jeffries Picard Irvine, CA

“ *David and Connie, Daughters and Aunt Leola, Our sincere sympathy on the passing of Ms Jan. Mother kept us posted on her condition the past while, except we didn't know she had passed until last night. A Mother, mother-in-law and grandmothere will always be missed by family but know that her pain has subsided and she is at ease now. Sorry we missed you but hope we can see you sometime this summer, perhaps at the family reunion in September. Again, our condolences. Gus and Trish*

“ *Dear David and John, Our memories of your mother go all the way back to the early 1960's when we were all absorbed with coaching and supporting the football teams at Poplar Bluff High School. We shared many wonderful, happy times together. Your mother was always the one organizing and planning post-game gatherings, fish frys, taco nights and any excuse to get together for fun and laughter. She was a special, caring and generous friend. We kept in touch until she became too ill, so we were up do date on you and your families even though we have not seen either of you since you were children. You and your children were the light of her life. We are sorry for your loss. Fondly, Gary and Marilou Nichols*

“ We shared many things in common w/ Jan and Family - our families were both involved in Athletics (w/Jan & I being the Adult Cheerleaders!), we attended the Christian Church, we both loved to sing. As a woman I so admired Jan's inner as well as outward Beauty - her ready laughter and Joy for Life were contagious, and she always had a pot of coffee on for a chat! Our sons and Daughter were/are Friends. She now is in a Peaceful Happier place, but I shall miss her! K

“ Jan Lohr was one of the finest ladies, mother, and coaches wife that anyone could know. She was caring and compassionate to everyone she knew. She was a friend to everyone she came in contact with and had tremendous pride and dignity. My family has known her since she was a young girl in Sikeston all the way until her passing and everybody I know says she has enriched their life somehow. You will be truly missed and always remembered fondly.

“ Your family and the world has lost a beautiful, gracious lady that touched many. Jan was always like a favorite aunt that I didn't get to see very much but was always there. She and her mother were absolutely two of my favorite people. She will be missed. David and John and families, you are in our prayers and please know how much the Dement family loved your mom and your family.

“ David and John: As you know, your mom and mine (Chickie Kaiser) were great friends for many, many years. Once they were both at the Chateau, your mom began stopping by to visit with Mom at least once each day. While on an outing to the Fair a couple of years ago, Jan pushed Mom's wheelchair around the fairgrounds and Mom helped Jan figure out where to put the chips on her bingo card. They were a "team" your mom told me..."I am the muscle and Chickie is the brains". I stopped by to see Jan on May 15th. I told her that Chickie missed her and she smiled. She whispered "I love Chickie". I gave her a kiss from Mom and told her that Chickie loved her too. You should be so proud of your mother. She was a wonderful woman and will be greatly missed.

“ David, John, and loved ones: Your mom was the epitome of beauty and class. I first met her in Jr. High School music, but because of her close friendship with Marki Springer, she soon became friends with me also. She was such a loving, compassionate person to those she loved and who were in need. She used her natural gifts wisely, and gave many hours of enjoyment through her song, both for her church and community. Dave and I will miss her lovely smile and hugs. I'm glad God has granted her peace now, and I pray the same for you and your families in the coming months. Our sincerest sympathy. Vikki and Dave Courvoisier

“ I will always remember your mom as a beautiful, wonderful, caring women, who made my (and my families) time at SEMO so enjoyable. I got to know her better after I graduted, and tried to make a point of seeing her everytime I was in Cape. She would call on a regular basis, and keep me up to date on everything with SEMO & Cape. She was very proud of John and David, and would tell me everything her grandkids had done (nothing bad of course). As your mom got sicker over time, our telephone calls got fewer (which I miss). I will miss her, but I am a better person for having known her. She was a wonderful lady.
