“ To the Family . Janet was my first cousin and when we were very young we were good friends. She lived next door to me while we were in high school. We always kept in touch when our babies were very young, but time passed and we both moved in different directions. I have missed our many letters to each other over the years and have wondered what life paths she took. My deepest sympathy to each of her family members. She was a very nice friend and cousin.

Sincerely,
Donna (Doggett) Bond Horner
