“ *RIP Janey you were a good soul and a good person. It's sad your son Joshua will be joining you very soon because of his mistakes. It won't be long until you see him again. I promise, I'm just glad you won't see him suffer.*

“ My dear Janey. I graduated with you in 69 but I regret that I did not know you well then. Since then you have become a dear friend to me. Your love of the Lord always shined thru your inspirational e-mails you would send me or the scriptures and words of encouragement you would send me thru the mail. I never knew anyone that spoke of the Lord as much as you, and now you get to go be with the Master you loved so dearly. I will miss you dear friend but I will get to see you in heaven when it is my turn to go to the other side. Maybe you can greet me when I get there! I love you dear lady, Nancy (Suttles) Hobbs

“ You have my condolences. I went to Cape Central with Jane back in the 60's. I considered her a friend in school. Many classmates have been reuniting since our 40th reunion this past June. Many people, including myself, were hoping to get back in touch with her. We had many stories to share with her. Everyone will tell you that we all remember her with her ironed straight hair and her beautiful smile she had for everyone. She was "cool". I wish I could be there to show her respect but I can't. I will pray for her family. Mae Holland Cuellar

“ *Janey Wiley is my Aunt. I love her very much. I will miss her very much. She was very dear to me. As I was growing up and till the day she passed. She always said to me, If you need me I am here for you. Still, she is here for me. I can go on and on about her. She was an amazing woman. I love her so. Love, Taryn*
