“ Always about family that she loved so dearly, she kept my secrets for me!! When I was much younger I would go spend the night, I loved every minute. We cooked and laughed...more than we cooked!!! She always made me feel very welcome! She has taught me, without knowing, to try and always look my best!! Her granddaughter, Kara, said something that reminded me of that...something about shoes!! She was a beautiful "Lady". One memory that my Dad told was that when she worked at Mo. Delta Hospital, she was walking in to work and his crew was working there that day. Well, the guys started hooping, whistling, and saying things!!!! That day some got fired, and others heard words that my Dad NEVER said!!! I don't think she ever knew that....❤️ I love you and I will miss our phone calls. Be at peace, and give my Dad a big hug for me!! S
