“ I worked with Janice at Meadow Heights and she also taught my son, Damien Ewens. I will always remember Janice with a smile on her face. She was a phenomenal teacher who greatly impacted the lives of those she taught. She will be remembered fondly within our family. May God bless you in your time of sorrow.

“ The pain of losing someone as special as a mom can be overwhelming; I too know that pain. May your family find comfort as I have in knowing that our loving heavenly Father promises us that very soon he will 'wipe out every tear from our eyes, and death will be no more.' (Revelation 21:4) What a wonderful day that will be!

“ Dr. Crosnoe: I remember your mother so well. We were so young working downtown at the old F.W. Woolworth about 1959-60. Janis worked in the lamps and home interior lines and I worked across the aisle in the cosmetic dept. Even though we never officially were classmates we got to know each other during lull times at work. It is almost ironic that we both went on to be teachers and that later in years our son, Chris, and you went on to graduate from Mizzou the same year and never even knew each other. My sincere condolences to you and your family. Marilyn and Phil Freeman

“ Janna and Darrin, Your mom was such a great witness to all of us for being joyful regardless of life's circumstances. We will remember her rare combination of toughness and laughter.

“ Darrin, I am so sorry for your loss. The more enriched a person makes our lives, the harder it is for us to let them go. I know that saying goodbye to your mother will be the hardest thing for you to do and the heaviest sorrow to you to bear. I hope that the wonderful memories you have of her along with the love and friendship you have around you now, will support you through this time and help you to smile once more. Such a difficult thing to understand, and at this tender time please know my thoughts and prayers are with you, hoping you find comfort and peace, knowing your parents are together again, and that your mother no longer has the restrictions or pain this world had brought to her. Hug your wife, hug your daughter and know your mother is proud of the man, husband and dad you have become. I will not see you until you get back, but please know I am thinking of you and what you are going through.
