“ Coach Estes was my basketball and football coach at Cape Central Junior High in the late '50's. He would often play with us in order to toughen him up. In recent years, I often saw and visited with him at the public library. He played a significant role in my early and later life. I will miss him dearly. Steve Mosley. CHS '62.

“ I remember Coach Estes from my Central Junior High School days in the 1960s. Coach would smile and wave at those he knew while mowing at Perryville Road and Cape Rock Drive. May your Christian faith comfort you as you start this new life chapter.

“ *Ace, Carrie and I offer you, Val, and family our sincerest condolences , thoughts and prayers. Your Dad was so special to so many people, especially those he coached, taught, and mentored at CJHS. I'm so happy some of us were able to visit with him recently and reminisce about his basketball coaching days and us playing for him, including a perfect season. Such a great role model and such respect we all had for him. A long life so well lived, so Rest In Peace now Coach.*

“ *Acy, I'm Roger Allgood. I lived at the top of the hill on Ridgeway Drive. I was friends with Rol in the early 1960's. Rol and I raced slot cars, built model cars, shot hoops in the yard. Your dad was my pe coach in school and later, my landlord. He was a great guy and I always thought allot about him. You have my deepest sympathies.*

“ *Acy, please know that you and your family are in my thoughts. I will always remember seeing your dad mow that corner lot across from my house at Cape Rock and Perryville Road. He always waved to me as a kid and then later to my kids when I lived in that house as a mom.*
